Equestrian Tasmania State Dressage Championships

Saturday 3 March & Sunday 4 March 2018
TASMANIAN EQUESTRIAN CENTRE LAUDERDALE

WELCOME TO THE 2018 HORSEWARE AUSTRALIA EQUESTRIAN TASMANIA STATE DRESSAGE CHAMPIONSHIPS

On behalf of my Organising Committee, I extend a warm welcome to everyone attending the Horseware Australia, Equestrian Tasmania, State Dressage Championships for 2018.

Sincere thanks must go to Sarah Jane Colhoun representing Horseware Australia, for so generously supplying the stunning rugs we have for our winners. Many thanks also to our gold, diamond, silver and bronze level sponsors, and our others who have donated beautiful prizes from their local businesses.

I encourage all riders to personally show their appreciation of their sponsorship. Events such as this simply don't exist, without financial support.

We are pleased to welcome 5* FEI Judge Maria Schwennesen, 3* FEI Judges Virginia Creed and Kerrie Swan-Bates; A level Judges Jacki Reed, Wendy Hunt, Sue Bright, Liz Coe; B level Judges Sue Lamont, Jenny Laird, Suzan McDermott and C level Judge Sheelagh Beech.

To my brilliant A Team consisting of Belinda Snooks, Miriam Coleman, Jill Schwartz, Suzanne Betts, Alison Watson, Gill von Bertouch, Kim Morrow, Jackie Merchant, Trish Stagg, Karen Allen, Sam Napier, Zara Gudnason, Leanne Moore, I thank you all, for doing your individual jobs with efficiency, dedication, and grace.

"Thank you" is never enough. We don't stop to count up the hours we put into a production such as this.

To my trusty band of volunteers, Thank You, every one of you, for giving your time and talents to such a big production. Volunteers are always the unsung heroes. I am eternally grateful for your contribution.

To all competitors, be assured, you are winners already. To keep your horse sound, fit and happy, takes dedication and good management. So just by being here, you are a winner. Now it's time to enjoy the fruits of your labour.

When Champs are over, do remember to thank your horse, and your own crew: partners, parents, coaches, farriers, masseurs, family and friends. You know you wouldn't be here without their support.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, retirement and euthanasia.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

ATHLETE ANTI-DOPING INFORMATION

The Australian Sports Anti-Doping Authority (ASADA) is Australia's driving force for pure performance in sport and aims to protect Australia's sporting integrity through the elimination of doping. ASADA deters the use of banned doping practices in sport through education, testing, advocacy and coordination of Australia's anti-doping program. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code in Australia.

Athletes are advised to check the status of their existing and new medications every year due to possible changes in conditions of use.

The WADA strict liability principle states the athlete is responsible for any substances detected, regardless of how they got there.
