PRESIDENTS REPORT 2016/2017

I would like to give a huge thank you to my hard-working committee. The work and assistance that the committee put in this year was exceptional, I thank you all so much for all that you have done especially when you consider we all work full time and have other commitments as well.

Another huge thank you to our members and families who are not on the committee who put their hand up to help at the competitions without you all we could not run our competitions.

The year that was:

This season's competitions were well attended, relaxed and had a wonderful social atmosphere we also had quite a few new members

and some lovely new horses which was really great to see.

I would also like to congratulate our NW riders who took out our NW Performance horse sections and obtained Performance Medals for 2017. I specifically need to thank Dr Sheelagh Beach who is the inspiration and sponsor of the Performance Medals. We are truly blessed to have Sheelagh in our Zone.

Big congratulations goes out to our riders who did so well at the State Championships this year, you all did the North West Proud.

And to our wonderful Judges from the NW who Judged at our State Championships and our many local competitions, not an easy job and a

Congratulations ladies!

The NW Zone is again about to start their season which I am sure will be as good and if not better than last season.

The Big News!

The North Zone will be holding some of their competitions at our grounds - this is going to be a 12 month trail.

I see this as a bonus for all of us on the North West as it will mean 2 competitions at our grounds per month at times.

There are also a lot of things to look forward to this next season. Here are a few items that our committee is working on and hope to start once the weather allows.

- The concrete arena surrounds to be replaced
- A temporary undercover area near the top end of the horse yards to be erected. A second container has been organised thanks to Bill Broad that will be delivered, again once we have dry grounds
- Looking at more yards to be placed at the western end of the parking area.
- A 4th sand arena
- Portable toilet

So as you can see plenty on the horizon. In saying this we are going to need as much help and support from our members to help assist in the infrastructure of this.

The NW Committee will also be looking into what we can do to improve the running of our competitions this season as Di and I are finding it increasingly difficult to do all we do on the day as well as compete.

One idea that seems to have merit is to have certain members to look after 1 job each season

e.g. Someone to look after the BBQ each comp, someone to look after the Judges lunches, someone to set up the grounds etc anyway I am sure you can understand where I am coming from if any of you would like to take on one of these jobs or have any suggestions please feel free to speak with me, I am happy to take on board any of your ideas after all we are all in this together.

So, members the year ahead is looking very exciting and I am sure we are looking forward to another successful and fabulous time.

Happy riding

2017 AUSTRALIAN DRESSAGE CHAMPIONSHIPS AT BONEO PARK VICTORIA

This year, for the first time in the State's history of the sport, Tasmania has a team of 9 horses and riders competing at the 2017 Australian Dressage Championships.

Attracting the best horses and riders from around the nation, this premier event will be held at Boneo Park Equestrian Centre on Victoria's Mornington Peninsula from 18-22 October 2017.
