Dressage Tasmania South is very excited to announce that Maria Schwennesen will be in Hobart to present a once in a life time insight into judging the world's greatest dressage combinations.

Maria is one of Australia's few International 5* judges and was a member of the exclusive ground jury at the Reem Acra FEI World Cup Final in Las Vegas in April 2015.

Find out why Valegro won and what were the differences between Charlotte Dujardin and Edward Gal right from the judge's hot seat.

Join one another for dinner at the "Back Bar" at 6pm. At 7pm we move upstairs, turn the lights down low and watch the world's best and learn what makes them so great.

This presentation will also include an update briefing on the new rule changes that take effect from 1 January 2016. The presentation will count as a Judge's Workshop.
