Congratulations and thank you to the Northern Zone and Organising Committee on hosting this year's Championships. State and National Dressage Championships are slowly becoming possible. While Tasmania has been fortunate not to have to cancel or reschedule our State Championships due to the impact of COVID-19, other event organisers across Australia have not been so lucky. Do your best to compete in the spirit of sportsmanship and with respect for your horses, fellow competitors, and officials.

"Dressage is the art of teaching the horse to carry you. Riding is the art of learning to be a good load to carry." – Richard Weiss

Wishing you all an enjoyable 2022 Hygain Tasmanian Dressage Championships.

Sharni Radford – State Dressage Authority Chair

From the 2022 Championship Director

It is a great honour to welcome you all to the 2022 Hygain Tasmanian Dressage Championships hosted by Dressage Tas Northern Zone at the Thirlstane Dressage grounds. I would like to extend a very warm welcome to our judges, sponsors, volunteers, riders and supporters to this year's Tasmanian Dressage Championships.

A big thank you to Hygain for their generous sponsorship as naming rights sponsor. Appreciation and thanks must also go to the Arena, Championship, Class, and Supporter sponsors. Without your generosity this event would not be possible. This year we have several demonstrations and trade stall exhibitors from across Tasmania and the mainland. Please visit them spend up big and acknowledge them for their attendance.

We have a fundraising Raffle available, with some great prizes, (details in the program). Please support this venture!! It will be drawn at the Sunday presentations.

As we all know, undertaking an event of this size during COVID has had complications. I implore you to follow the Tasmanian Government Public Health Requirements which allow us to run an event like this under Covid safe practices.

I would like to acknowledge the hard work of the 2022 Hygain Tasmanian Dressage Championships committee. Without their efforts and dedication to the sport this event would not occur. Congratulations to all the volunteers for making these championships so great and contributing to our fabulous sport. Without you this event would not be possible.

Have a wonderful event! Best of luck and happy riding to those competing.

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, retirement, and euthanasia. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

Calculation of Championship Classes

The calculation of championship classes will be according to 2022 EA Dressage Rules, Rule 3.19 Awards and placings. Awards are made to place getters, irrespective of percentage received. The following is a guide:

- a) up to 5 starters, ribbons to 3rd place
- b) up to 15 starters, ribbons to 5th place
- c) more than 15 starters, ribbons to 8th place
- d) in case of equality of percentage for any of the first three places, the higher total of the collective mark/s, including coefficients, will decide on the placings
- e) should there still be a tie, the rider score will be the final decider
- f) when there is equality of places from fourth place and below, the competitors are joint equal placegetters
- g) In the following cases, places will be determined as follows:
 - in the case of equality of marks for first place in a Freestyle test, the combination with the higher mark, including coefficients for artistic presentation, will be the winner. If there is still equality, then they are equal winners.
 - for the purpose of a one-off trophy or point-score award, if a clear winner is required, one of the following criteria should be decided upon and included in the Conditions of Entry:
 - total the collective marks of each tied competitor. The one with the highest total collective marks is the winner
 - if two tests are involved, the award should be to the competitor with the highest score in the highest test involved

For the purpose of deciding a Champion at a level, if a clear winner is required the following criteria will decide the winner:

- h) first placed horses will be allocated 35 points
- i) second placed will be allocated 34 points
- j) third placed will be allocated 33 points and so on to the last placed horse
- k) competitors must compete in both tests at level to be eligible for champion points
- l) the Champion is the horse with the highest combined points of the two tests
- m) in the event of a tie, the Champion will be the horse with the highest aggregate percentage at that level
- n) in the event of a further tie, the horse with the highest percentage in the higher competition at that level will be deemed the Champion.
