## Sue's snippets

Well the silly season has arrived.

Fairlands and the Trevallyn events have come and gone. Thanks for all the help for the Fairlands event. This event was the first of the season and we had lots of help from various riders to our working bees over the month before the event. Lots of work goes on behind the scene that most people don't see. The course was turned around and this required a lot of work, so thanks to all those who helped out. Thanks to the riders who helped at Trevallyn with setting up dressage arena's.

We plan to have some **training nights** in December coinciding with working bees at Quercus in preparation for the ODE on the 10<sup>th</sup> Jan so keep an eye out for these nights if you want to get some jumping practice in. Dates are Thursday 17<sup>th</sup>, and Tuesday 22<sup>nd</sup>. These will be with Melinda Bramish.

The **Funday** will be run again this year on the 19<sup>th</sup> December. A fun day with lots of laughs, come along and enjoy a shared bbq lunch. Everyone is welcome so come and enjoy a xmas bbq horses aren't mandatory.

**Our next event 10<sup>th</sup> Jan at Quercus** is well under way with preparations being done as I write this. Thanks Sandra, Owen and Justyn for your time and effort. Please make sure that you put some time aside on that first weekend in January to help get ready for this event. Brush, Brush and more brush is required. Along with raking the tracks, bunting and flagging are some of the jobs to that need to be done. Keep an eye out for working bee dates.

Personally, I had a great weekend as a spectator at Adelaide recently, for the International 4\* event held there each year. Could I say it was life changing? Yes The 2\* looked quiet do-able but the 4\* was awesome and the horses mostly took it in their stride as if it was easy. Such professionalism is so exciting to see. So my sights have now changed to getting a 2\* course in the north of the state.

It is well worth the effort to go to these mainland events for a look, Melbourne 3 day event will be in June and will be well worth going to see as we will have a quiet a few Tassie riders there.

Merry Christmas and happy new year

Sue

# POT PLANTS WANTED

With thoughts of the championship coming up in April, we are looking for volunteers to grow 'leafy' type plants in pots – large or small, to love them and nurture them and then bring them along to the Champs for placement around the course. Pots would be named for their return to their owners, deposited and collected from the caravan before & after the event. This way there is no burden on any one individual to find leafy, brushy cuttings which is not always easy to find.

For all your canvas, leather & rug repairs, please support the local businesses

Do you have a TEA Championship perpetual trophy? It is nearly time to return them ready for this year's awards. Please see Sue or Carina if you do.

## Training Day and Working Bee Information

A good way to get to know other NTEC members is to participate in our working bees. These are usually good fun even if you are doing a little work as well. The working Bee on the 17th and 22<sup>nd</sup> Dec will consist of working on the cross country course in preparation for our ode on 10<sup>th</sup> Jan. Please wear suitable clothing and bring some tools eg sledge hammers or large hammer suitable for pegging down jumps and portable drills with screw driving bits - some will be available on the night if you don't have any. We also will be doing some brushing of the new jumps so if you have any teatree in long lengths that would be great.
