EA RULES

This event will be conducted in strict accordance with the EA Dressage Rules, effective January 2019, and FEI rules where the former do not apply, subject to any amendments or inclusions. We advise you to please take the time to familiarise yourself with the current rules.

Please refer to EA National Dressage Rule Book for further clarification. This is available for download at www.equestrian.org.au/dressage-rules.

COMPETING

- It is recommended that competitors report to the Gear Steward for inspection 20 minutes prior to competing in each test.

Failure to complete a gear check prior to a test will result in elimination.

After your gear check and before your test you are not permitted to change any of your gear or dismount. If you do need to change anything you must re-present to the gear check again.

- Riders must present to Judges with identification numbers clearly visible. Riders are not required to stop and report to the Judge but should simply ride past the Judge so that they can clearly see the rider's number.
- Tests may not be commanded. Riders are not permitted to talk (to their horse or spectators) at all times while in the arena.
- Please follow the directions of officials at all times.

PRESENTATIONS

- As a courtesy to sponsors, organisers and others, all place getters are strongly recommended to be in attendance at the Presentations. Place getters not in attendance may, at the discretion of the Organising Committee, forfeit any entitlement to prizes/prize money.
- Competition attire is required of riders at presentations.

SCRATCHINGS

- Scratchings must be notified by 5.00 pm the day prior to the Championships. Refunds will not be paid unless an application in writing is made not more than 7 days after the event. This application must be accompanied by a Veterinary/Medical Certificate, and forwarded to the Organising

Committee (the administration fee is non-refundable).

Note: A farrier's or chiropractor's certificate will not be accepted.

GROUND FAMILIARISATION

All Arenas are available on Friday 1st March from 2pm until 4 pm. Raking will commence at approximately 4 pm. Please respect the groundsperson's wishes. Arenas are NOT to be ridden on under any circumstances after this time. Riders can only ride in arena surround and warm up area after that time, until 5 pm.

Saturday – Ground familiarization outside of the Arenas only is from 6:15 - 7:45 am.

Sunday - Ground familiarization outside of Arenas only is from 7.15 am – 8.15 am.

- Freestyle sound check Friday afternoon.
- Please refer to change in rule 3.12. 24 hours prior to the event starting, a horse may only be ridden by its nominated rider on the competition grounds. However a groom wearing a prescribed safety helmet and boots may walk the horse on a long rein only. Competition rules apply from the time of entering the ground on Friday.

COMPETITION ARENAS

- There will be no admittance to the areas directly surrounding the Competition Arenas after 7.45 am Saturday, and 8.15 am Sunday. Riders should use the designated warm up areas and only enter the competition Arena area prior to their set competition time. Entering the area before your time will result in elimination.

Riders should be aware that after the final test on Saturday there will be no admittance to the Competition Arenas as they will be being prepared for Sunday's competition. Please use the warm-up areas only.

CALCULATION OF CHAMPIONSHIP CLASSES

The following rules apply to the judging of Championships as in the 2019 EA Dressage Rules, Rule 8.9 and further referenced in Annex I.

- Championships are to be decided on a points system.
- All competing horses will be ranked on the combined results of tests at each level.

- The first placed horse will receive 35 points, second will receive 34 points, third will receive 33 points and so on to the last placed horse.
- Where there are equal places, the Champion will be the horse with the highest aggregate percentage at that level. In the event of a further tie, the horse with the highest percentage in the higher competition at that level will be deemed the Champion.
- Young Rider placings will be decided on in Championship classes only, not individual tests.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, retirement and euthanasia.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

ATHLETE ANTI-DOPING INFORMATION

The Australian Sports Anti-Doping Authority (ASADA) is Australia's driving force for pure performance in sport and aims to protect Australia's sporting integrity through the elimination of doping. ASADA deters the use of banned doping practices in sport through education, testing, advocacy and coordination of Australia's anti-doping program. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code in Australia.

Athletes are advised to check the status of their existing and new medications every year due to possible changes in conditions of use.

The WADA strict liability principle states the athlete is responsible for any substances detected, regardless of how they got there.
