

Dressage Tasmania Horse, Pony and Young Rider of the Year Nomination Form 2020/2021

Horse, Pony and Young Rider of the year will be awarded to the horse/pony/young rider who has gained the highest average percentage from 4 official performances at one level within the performance period (YR performances may come from any level).

Winner will receive an embroidered trophy rug, runner-up will receive an embroidered saddle-blanket.

Performance Period: 2nd March 2020 to 14th March 2021 (inclusive)

Eligibility:

During the 'Performance Period':

- Horse/Pony must have been EA registered.
- Rider must be a current member of Dressage Tasmania.
- Horse and rider must be domiciled in Tasmania.
- Performances must be obtained in the state of Tasmania within the performance period.
- ONE performance may be included from National or Interstate Championships or CDI competitions whilst representing Tasmania.
- Ponies must have obtained a current official EA height certificate (please attach).

Performance Criteria:

- Preliminary to Advanced: Must provide 4 Official Performances at one level (may nominate for more than 1 level).
- FEI: Must provide 2 Performances at small/medium/big tour.
- Young Rider: Must provide 4 Official Performances across any level.
-

**** FEI Small/Med/Big Tour; for the purposes of this award is defined as competing either level i.e. PSG/I1, Inter A/B, I2/GP.**

Go to:

<http://www.equestrian.org.au/members/search/dressage-results>

Search for your horses name with the dates as above and attach to this form. Please highlight your 4 best scores (or 2 for FEI) within the performance period.

Example:

DRESSAGE RESULTS SEARCH

To search the database, simply enter details in one of the fields along the top row. For instance, to search for a particular horse, simply start typing its name in the 'Horse' field. You can search by any of the filters in the top row. Simply scroll left to right to see all the fields.

Please note: while the 'Start Date' and 'End Date' columns display the same date in the results, you can search for all events within a particular date range by entering the 'Start Date' and 'End Date' of the range in the fields at the top of the column. You must ensure you use the following format dd/mm/yyyy.
