

Judge Education & Officials Reimbursement Scheme

Arrangements for judges & officials traveling interstate to maintain accreditation, upgrade qualifications or gain further experience in judging and stewarding.

Scope:

The purpose of this document is to set out a framework for reimbursement for Tasmanian judges and officials travelling interstate to upgrade, remain accredited and further their judging and stewarding experience.

The amounts noted in this document are intended as a guide only and are subject to availability and will be reviewed as part of normal financial operations.

1. Maintaining Accreditation, A and B Level Judges, Para and Young Horse Judges

Dressage Tasmania appreciates the commitment of Judges to attend Seminars Interstate in order to maintain their accreditation as Seminars at the higher levels and Young Horse and Para Equestrian Seminars cannot be offered in Tasmania. We realise the financial strain this can impose on individuals. This difficulty is similar to that experienced in other regional areas of Australia. Judges may be eligible to receive up to \$500 per level per financial year (if maintaining accreditation at more than one level for A, B, YH and Para in the one financial year, judges may be eligible for more than one payment).

Please complete Intention to travel form on page 2 and claim form on page 4.

2. Upgrading to A, B, or C Levels or becoming a Para Equestrian or Young Horse Judge

Dressage Tasmania is supportive of Judges who upgrade their qualifications and understand that higher level judges must make numerous trips Interstate to achieve this goal.

Judges upgrading to A B or C Levels or becoming a Para Equestrian or Young Horse Judges will receive a subsidy of \$1500 (max per judge per accreditation per financial year) to cover expenses relating to travel to complete shadow judging, sit-ins and the Practical Exam. This amount will be paid on the successful completion of the qualification. A report must be submitted to dressagetasmania@outlook.com together with receipts for expenses.

Please complete Intention to travel form on page 3 and claim form on page 4.

Please Note:

Judges maintaining accreditation or upgrading are encouraged to seek Judging appointments Interstate and then 'piggyback' attending a Seminar or undertaking shadow judging or sit-ins. Organising Committees may pay for at least part of airfares and accommodation, and this then stretches our budget further! Many candidates have already done this successfully.

Judge Education & Officials Reimbursement Scheme

It is also suggested that Judges check that others may be attending events interstate as hire cars and accommodation can then be shared.

3. Gaining further experience in Judging

This is to support judges at C, D, E and F levels to travel interstate to gain further experience judging horses at these levels due to limited numbers within Tasmania. The provision of funding to F levels judges is under the stipulation you have submitted an intention to upgrade to E level form to dressagetasmania@outlook.com. A subsidy of \$500 per year may be paid for these Judges to gain further experience at these levels. A report must be submitted to dressagetasmania@outlook.com together with receipts for expenses – please complete claim section on page 4.

Please note, to be considered for funding from the Judge Education Reimbursement Scheme, it is expected that Tasmanian judges also judge at competitions held throughout Tasmania.

4. Stewards – Upgrading

To support Stewards upgrading to Level 2 or gaining their Para Stewarding qualifications, stewards may be eligible to receive up to \$500 per level per financial year (if upgrading to more than one level in one financial year, stewards may be eligible for more than one payment. This will be considered on a case-by-case basis).

Please complete Intention o travel form on Page 3 and submit Claim Section on return.
