TASMANIAN EQUESTRIAN CENTRE, LAUDERDALE  
13th & 14th MARCH 2021

# MY PERFORMANCE AND BREEDING HORSES THRIVE ON THIS BALANCED FEED!

"I have been feeding HYGAIN® BALANCED® for 9 years with my team of performance and breeding horses. My 4 high performance stallions thrive on this balanced feed, their coats are glossy, hooves grow

tremendously well and what is important – this does not fizz or make any of my horses hot and economically it is fantastic."

## IN MEMORY OF PENNY WOODS

Dressage Tasmania acknowledge the recent passing of Penny Woods. We, alongside all members, offer heartfelt sympathy to Heath, Sydney, family and friends of Penny who was a DTas SZ committee member and supporter of dressage in Tasmania.

Penny was a valued committee member of dressage and was always offering a helping hand at competitions as well as competing in pony dressage.

Penny's genuine smile and willing assistance to the sport and to people will be greatly missed. Penny loved her horses, her friends and her sport, she made an impression on so many people and will be so very deeply missed.

We know you are up there in the big show ring in the sky Penny, taking home the blue and casting an eye over the dressage arenas too. Rest in peace.

# WELCOME TO THE 2021 HYGAIN TASMANIAN DRESSAGE CHAMPIONSHIPS

The Tasmanian Dressage Championships return to the Tasmanian Equestrian Centre (TEC) after being hosted at the Thirlstane Grounds in 2020.

It is with great pleasure that I take this opportunity to extend a warm welcome to all judges, sponsors, volunteers, riders and their Supporters to the 2021 Hygain Tasmanian Dressage Championships. A special mention to all the new Dressage Tasmania members who maybe competing in their first Championship.

This event speaks for the commitment that all of us hold for the sport of Dressage. Covid-19 has affected the way competitions have been run this season and has affected our ability to obtain mainland judges. Thank you to all our local Officials who have made themselves available during the season and for the Championships. Best of luck to those judges sitting practical exams this weekend.

A huge thank you to Hygain for being the naming rights sponsor. Thanks also go to the Arena, Championship, Class and Supporter level sponsors, who have generously donated prizes. We would be unable to hold our Championships without your support.

Thank you to our Interstate Judges: Maria Schwennesen, Wendy Hunt, Lee Howells and Kerry Conners.

Also to our Tasmanian judges Judy Peel, Jill Suban, Sue Lamont, Suzan McDermott, Jenny Laird, Judy Atkinson, Belinda Snooks, Anthea Simmons, Allison Lamont, Gill von Bertouch, Millie Ashton, Wendy Asman and Diane French.

I would also like to give praise and congratulations to the many volunteers that have made this event possible.

Welcome also to Interschool Riders who will be competing in the Tasmanian Interschool Dressage Championships. Many of these riders will also be eligible for Open, Pony and Young Rider categories.

With so many State and National Championships being cancelled or rescheduled as a result of the pandemic, we are indeed fortunate in Tasmania to be able to compete this weekend. Do your best to compete in the spirit of sportsmanship with respect for your horses, fellow competitors and officials.

Wishing you all an enjoyable 2021 Hygain Tasmanian Dressage Championships

## TRUE HEALTH BEGINS IN THE GUT

Acute stress affects horses in many ways: They stop eating. They stop drinking. Muscles can fatigue quickly with dehydration and can result in reduced nutrients available to support energy production.

**Competitions, strenuous work, transport, illness, long days competing, extreme heat and humidity, extended times off feed or other major changes to your horses's normal routine can compromise gut health.** Gut bacterial populations can shift. Muscles and organs can be damaged with higher rates of oxidative stress.

Behaviour can become anxious and highly strung, and this behaviour then starts the stress cascade all over again. They stop eating. They stop drinking... and so it goes.

### Stress Paste can help

**Stress Paste is designed to specifically address each of these responses to stress and keep the horse eating and hydrated with well-functioning, well protected muscles.**

This is why it is complete with so many actives. Stress Paste is also designed to support the gut so it and its bacteria can remain healthy during higher stress periods.

# THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, retirement and euthanasia. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

# HOOF GOLD®

The Highest Quality Full Spectrum  
Veterinary Design Hoof Supplement

**AUSTRALIA'S MOST RECOMMENDED HOOF  
SUPPLEMENT BY VETS & FARRIERS**

HOOF GOLD has been formulated after 27 years of field experience with debilitated horses feet, working with Vets, Farriers and Clients to produce Australia's highest quality Hoof Supplement.

HOOF GOLD is designed and manufactured in Australia. Vets and farriers have claimed it may assist in conditions such as laminitis, white line disease, hoof cracks, and abscessation.

## TESTIMONIAL

Olaf Huenerberg of Olafs Hoofcare and Horsemanship servicing Brisbane Southside/Southwest, Logan, Scenic Rim and parts of the Ipswich area.

"The results I have seen when I have advised my clients to put their horses or ponies on HOOF GOLD have been nothing short of astounding. They now have their laminitic horses galloping around their paddocks, horses with brittle feet or seedy toe experiencing rapid hoof growth with incredible improvements in hoof integrity and quality. This product is a godsend and I've never seen anything else that can compare to the outcomes that I've seen on each and every single horse that I've recommended it for."

Only available from vets, farriers or our online store.

## ATHLETE ANTI-DOPING INFORMATION

The Australian Sports Anti-Doping Authority (ASADA) is Australia's driving force for pure performance in sport and aims to protect Australia's sporting integrity through the elimination of doping. ASADA deters the use of banned doping practices in sport through education, testing, advocacy and coordination of Australia's anti-doping program. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code in Australia.

Athletes are advised to check the status of their existing and new medications every year due to possible changes in conditions of use.

The WADA strict liability principle states the athlete is responsible for any substances detected, regardless of how they got there.

Victoria Kahn (Sports Science/Sports Medicine Manager, Equestrian Australia) [victoria.kahn@equestrian.org.au](mailto:victoria.kahn@equestrian.org.au)

Equestrian Australia (EA) condemns doping as fundamentally contrary to the spirit of sport. EA has an anti-doping policy in full compliance with the Federation Equestre Internationale (FEI), WADA and ASADA policies. All athletes and support personnel should familiarise themselves with the anti-doping policy and should contact EA if they have any queries.
