### **Important information for competitors**

- DOGS MUST BE ON A LEAD AT ALL TIMES AND NOT ENTER COMPETITION AREAS
- There will be dedicated warm up/practice areas—we ask that competitors utilise these areas only.
- Please ensure you take your allocated yard/s—any changes must be first notified to the committee.
- All yards and tie up areas must be cleared of all hay and manure (please place in bin at end of yards). PLEASE DO NOT place manure around trees.
- Put rubbish in supplied bins—these are not to be used for manure or hay.
- Please follow directions of marshalls. To ensure the smooth running of the event, we ask that you be ready to compete in drawn order or risk elimination.
- Ring 1 will take preference over Ring 2. If you are entered in Ring 1 you must be ready to jump in drawn order.
- Random drug testing will be conducted by Equestrian Tasmania. If chosen please comply with all official directions.
- No competitor (or their connections) is to query the judges panel directly. Any issues should be presented to the Ring Master via the Riders Representative.

We hope you have an enjoyable weekend of show jumping
