Equestrian Tasmania State Dressage Championships

**Saturday 29 Feb & Sunday 1 March 2020**

Thirlstane Dressage Grounds, Squeaking Point Rd, Thirlstane

## Welcome to the 2020 Horseware Australia Equestrian Tasmania State Dressage Championships

It is with great pleasure that I take this opportunity to extend a warm welcome to all Judges, Sponsors, Volunteers, Riders and their Supporters to the 2020 Horseware Australia Equestrian Tasmania State Dressage Championships

This event speaks for the commitment that all of us hold for the sport of Dressage. I am sure that we will witness performances of a high quality over the course of the Championships.

The Tasmanian Championships have not been held in the North of the state since 2013. A huge amount of work from a dedicated committee has been completed since it was announced that the event would be held at Thirlstone. This includes work to the warmup area, western boundary removable fencing, new yards and stallion yards and new wash bay.

A huge thank you to Horseware Australia for supplying the beautiful rugs for the Championship winners. Also thanks to the Gold, Diamond, Silver, Bronze level Sponsors and Supporters who have generously donated prizes. We would be unable to hold our Championships without your support and I ask all competitors to take time to thank and support you.

Thank you to our Judges:

- Moya Jess (A Level)

## THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, retirement and euthanasia.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

## ATHLETE ANTI-DOPING INFORMATION

The Australian Sports Anti-Doping Authority (ASADA) is Australia's driving force for pure performance in sport and aims to protect Australia's sporting integrity through the elimination of doping. ASADA deters

the use of banned doping practices in sport through education, testing, advocacy and coordination of Australia's anti-doping program. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code in Australia.

Athletes are advised to check the status of their existing and new medications every year due to possible changes in conditions of use.

The WADA strict liability principle states the athlete is responsible for any substances detected, regardless of how they got there.
