Body Protector Rule Clarification

Clarification of the Body Protector Rule was sought from Narelle Rowlandson, President of the Tasmanian Eventing Association Inc, and here's the response:

It was discussed earlier that the rule would only allow level 3 body protectors but that has been discarded.

As long as the body protector has the EN13158:2009 tag on it, it's allowed.

However, Level 3 is the safest and it is recommended that anyone buying a new one to go with a Level 3, however it is not required under the new rule change.

Large Animal Rescue Seminar

EA would like interested eventing members to attend an upcoming session on Large Animal Rescue. This seminar is being run as an EA coaches' update seminar, but others very welcome.

It is to be held on the evening of 3rd June and presented by Anton Philips, a UK animal rescue specialist.

This is a great opportunity to have more NTEC members trained up in this rescue area, particularly considering the risks involved in the cross country phase of our sport. It will help us with our risk management procedures!

See flyer next page for details.

NTEC Member Selected for International Pony Club Team

Jess Cowan, one of NTEC's young members and a keen Pony Club rider, has been selected as part of a team to represent Australia in the 2019 Pony Club Australia International Teams Inter-Pacific Exchange in Hong Kong, from 30th June — 13th July. I asked her to tell our members about her selection and what it means to her.

"I have been fortunate to be selected as the Tasmanian representative to ride for the Australian Team at the Interpacific Rally to be held in Hong Kong in July this year.

The Interpacific Rally is an event held by the Pony Club Association, whereby teams from Canada, USA, New Zealand and China (and more) compete against each other in a Jumping competition for the Nations Cup. Riders also compete on horses they've never met before.

To be selected for the Interpacific Rally is the ultimate goal for any Pony Clubber; it takes years of dedication, efficiency tests and experience and recognises the selected representative's achievements, leadership, equine knowledge and role model characteristics.

A little more about myself; I am 22 yrs old and live in the Meander Valley area. I am currently in my fourth and final year at UTAS studying Bachelor of Economics and Bachelor of Human Resource Management. I have been riding horses since I was 6 years old, and have participated and competed in hunting, polocross, Tas Cattlemens however my love lies in the Olympic disciplines of dressage, eventing and jumping.

I am extremely grateful to be selected for this opportunity and it has been a goal of mine for a number of years. The first team for the Interpacific consisted of Ann Paterson, Caroline Chesterman, Janet Murray, Judith Wadley (Kilby), Danny Donovan

and Robert Thomson. The list of famous Tasmanian horsemen doesn't stop there, with Jo Geard, Claire Casey (Walker), Alison Hall and Jess Pyke being all but a few northerners to have been selected.

I have a long history in these disciplines, having competed to Grade 1 eventing (new 1*), 115m Jumping and Medium level dressage. I have been a member of Deloraine District Pony Club since I was 9 yrs old and a member of NTEC a few years later. I love my sport, and it is thanks to organisations like the Pony Club and NTEC that riders like myself have the opportunity to compete on the international stage."

Best of luck in Hong Kong Jess!

This Month's Rider Q&A – Danielle Whatley

1. What do you like most about eventing?

I love the challenge of riding three different disciplines and training to be consistent in across them all. I also love spending time with friends and cheering them on when it is their turn to ride!

2. What's your favourite thing about being a horse person?

I have met some of my closest friends through riding and I love how it brings us together when we compete or train. I love the feeling of smashing goals on young horses.

3. What's your least favourite thing about being a horse person?

I would be driving a better car if I didn't have horses! (And the rest!)

4. Who is the person who has inspired you most in the equine world?

Amberley Snyder because she has inspired many people who have been dealt a rough hand like herself to give it all they've got.

5. What do you like to do most, after riding your horse of course!

I love fishing, motorbike riding, skiing, eating, swimming, netball, sleeping, reading and Game of Thrones.

NEWSLETTER MAY 2019

6. If you could go on an all-expenses paid holiday for 2 weeks, where would you go?

I would like to go to New York at Christmas time and go ice skating in the city.

7. If you could give your younger self advice, what would it be?

Don't take life too seriously, just have fun.

Next month's rider of the month is Phyliss Pyke.

State Eventing Championships – 13 & 14 April

Congratulations to all the NTEC riders who competed in the State Championships run in the south by STEA this year. NTEC riders reported the event was a very well run and friendly weekend of competition. Thank you to STEA for putting in all the hard work to make the competition such a success!

Here's a brief overview of how our NTEC riders went on the day...

CCN1*-S

Congratulations to Jessica Grove on Allambie Parks Totallykool who took out first place at 1* level! Well done.

EvA95

Georgia Elias won EvA95 on Tonash Mondo, finishing on her dressage score. Georgia also placed third on Silverwoods Aussie Pride, again with no XC or SJ penalties. Fantastic outcome Georgia!

Fourth place went to Haydn Brooks on Geoh Bear. A fabulous dressage test (top score of 72.6%), but SJ penalties moved him down the placings. However, a great outcome for this newly formed combination!

And Kate Brennan came seventh on Westbury Park Colorado. At the northern champs Kate was unwell and couldn't compete, so fantastic to see her out and doing so well in the State Champs!

Jessica Grove took out first place in EvA95 Junior on Red Sambucca. Another first place!

EvA80

Recently moved up to this grade on these mounts, Sue Walton on Super Fly secured 10th place and Sally Cowan on Acurian Romanov 14th place in this grade.

Bethany Hirst came 5th in the EvA80 Junior on Goosebumps, with sister Ruby Hirst placing 10th on Entally Ice Magic. Well done all!

EvA65

Alysha Verwey placed 10th on Spirit. Congratulations!

Bethany Hirst on Foxleigh Partly Cloudy in CCN2*-S and Holly Gudsell on Turnara Lodge Raindancer in CCN1*-S were unfortunately eliminated cross country after dressage and SJ. However, great to see you competing for NTEC at this level and hope things go better for you both next time!
