NORTHERN EVENTING CLUB

NEWSLETTER MAY 2018

Volunteering

Without several of our club's members volunteering to run the club and its events there would be no NTEC, no one day events, training days etc for you to take part in. And the fact is, those volunteers are getting tired, burnt out and they have lives too!!

So, think about how YOU can assist YOUR club to stay viable; how you can be fair and respectful of others by sharing the load; and think about how you can gain from working with fellow members to make the club a success for all concerned!

Not only that ... the team spirit, camaraderie and a satisfaction of being responsible for an event well run is good for the soul. Here's one of many opportunities below ... keep your eye out for others in upcoming newsletters.

Scorers wanted!

Would you or one of your supporters like to volunteer to assist NTEC with scoring for our events? We have two very dedicated people who do the scoring for us but we cannot keep asking them to help out every time, and sometimes they have other commitments. Would you like to learn the process of scoring? You'd be mentored by our current lovely scorers ☺

Contact Phyllis Pyke, email: th.pykes@bigpond.net.au or phone 0439 566 323, to discuss further and/or to express an interest.
