## QUERCUS HICKSTEAD 14<sup>th</sup> October

Congratulations to all competitors at our recent Hickstead competition on the 14<sup>th</sup> October. It was a great way to start the season – the day ran smoothly and there were lots of helpers and riders with smiles on their faces. Everyone “put in” helping the day to go well. Thank you all! In particular, an enormous thank you to Midlands PC who ran the canteen as well as helping out at working bees and on the day. You were an absolute pleasure to work with!

## XC Jump Building

A huge thank you to Jamie Buckby for the considerable time and effort he put into organising and coordinating Craig Gordon's visit to Tasmania resulting in the building of 18 fantastic XC jumps for NTEC.

Jamie sourced the materials, hosted Craig at his home and spent several days assisting Craig in the construction of the jumps. Other helpers who kindly gave their time include Lisa Lucas, Sue Walton, David Bird, Sally Cowan, Andrew Scott, Hayden Brooks, Greg Atkins, Graeme Gliddon. Hopefully everyone enjoys trying the new jumps out at the next Quercus ODE!!

Funding for the building of these jumps came from a grant from the Tasmanian Community Fund.

## Eventing Rules Q&A

**Q** Will I be eliminated if my horse leaves the arena after I've entered the arena for my dressage test?

**A** It depends! You may be eliminated or it may be an error of course - see below.

**Why?** Eventing Rule - Dressage

*A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A will incur elimination if the arena is fully enclosed to the recommended minimum height of 30cms and the gate at A has been closed.*

*A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A will be awarded an error of course for the movement if the surrounds are not at least 30cms in height or if the arena has intermittent boards or line marking.*

NEWSLETTER OCTOBER 2018

*if the arena is 30cms or over, a horse leaving the arena anywhere, other than through an open gate will be eliminated.*

*A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A, through the gate at A will be awarded an error of course for the movement if the gate has not been closed. When a horse makes such an “error of course” by leaving the arena with all four feet between the time of entry at A and the time of exit at A, the judge at C warns him, by sounding the bell. The President then directs him to re-enter the arena at the nearest practical place, then shows him, if necessary*

**Q** Can someone give me outside assistance (eg verbal instructions) when I am competing at an event?

**A.** No.

**Why?** Eventing Rule - **Outside Assistance**

*Any outside help by voice, sign, etc is considered as illegal or unauthorised assistance to an Athlete or to his Horse. An Athlete or Horse receiving positive assistance must be eliminated.*

## SHOWJUMP TRAILER UPGRADE

The NTEC SJ trailer has had a major makeover!

We can now fit our equipment on the trailer more easily and securely, plus new wheels, additional cup holder compartments, weld mesh rack for future plastic jump blocks and more. Thanks to Jamie Buckby for organising and overseeing this project, and thanks to Tasmanian Engineering for their fantastic work in getting the trailer upgraded to meet our needs.
