## 2019 Northern Tasmanian Eventing Championships Report

The sun shone on our Northern Tasmanian Eventing Champs this year and the torrential rain of last year's state champs at Quercus thankfully did not reoccur! The day saw a relaxed and friendly competition with over 90 entries from all around the state.

Huge thanks go to so many people but in particular the Champs Committee, Kate Brennan, Lisa Lucas and Amanda Cameron, who made this day possible. This hard working committee put together an amazing day, with fantastic sponsorship and prizes! All three members are passionate about the sport of eventing, and about their club and its members. They put in "above and beyond" to help make the club, and competition days like these, something really special.

Here is their Champs report:

### 2019 NTEC Northern Championships 24<sup>th</sup> March 2019

The sub-committee (Kate, Amanda, Lisa) assisted the NTEC committee with the running of the 2019 NTEC Northern Championship events held at Quercus Park on Sunday 24<sup>th</sup> March 2019.

We would like to thank all the hard working volunteers that made this event enjoyable. Ian Coulson as our TD assisted by Donna Griffiths, Rebecca Evans as our cross country course designer (a detailed task) and all those that assisted; our dressage judges and volunteer pencillers, scorers Leonie Blackwell and Roseanne Roles; our reliable "back up lady" Rosemary Lyne, at the "van" all day to help 😊: Raelene Bullen and Linda Munting for feeding us all. Our show jump judges; pencillers and helpers. I hesitate to name names as there are always those that do way more than expected including our President Phyliss Pyke, committee member Kate Brennan and then there's Sue Walton, Sally Cowan the list goes on, must not forget Jamie Buckby 😊

Overall, I feel the event was a great day where we were able to support each other and enjoy the sport of eventing.

## Good sorts

Well done to all the good sorts at champs!

Generally, there was less rubbish produced at the championships event, and very little rubbish left discarded on the ground around the SJ ring, which has been a rubbish trouble spot at past events. Cans, plastic bottles and glass bottles put into bins have been sent off for recycling rather than going into landfill.

In the future...The committee are looking at how to arrange an area for people to comfortably gather and sit around the canteen area at Quercus next season. We will have our blue bins better located around this seating area in the future.

## Storage container at Quercus

Thanks to a funding grant from the Meander Valley Council NTEC now has its own lockable storage container on site at Quercus. This will be used for storing most of our equipment, tools, cross country bunting and cones, the list goes on and on. Having our own onsite storage will save lots of work for us. Previously these goods were stored in the caravan and in the Rural Youth shed, and the latter had to be emptied and removed from the site before Agfest each year.
