2022 TASMANIAN TEAM
Sydney 26-30th September

Applications for the Equestrian Tasmania (ETAS) Interschool State Team 2022 to represent Tasmania at the Australian Interschool Championships, being held in Sydney 26-30th September 2022 are now open.

2022 Qualifying Event Info

Due to limited Interschool qualifiers being run this year, we are pleased to invite riders to include results from last year's Interschool events and EA official competitions you have attended in 2021/22. Please see the application form for each discipline.

The ETAS State Interschool Team and supporters are representatives of Tasmania, and the riders are also ambassadors of equestrian sport. Therefore, it is imperative that all must adhere to the EA Rules and Regulations and EA Codes of Conduct. Failure to do so will jeopardise the rider's placement on the ETAS State Interschool Team. The current Interschool Rules can be found at equestrian.org.au/interschool.

The ETAS Interschool State Team is selected by ETAS according to a process set by the ETAS board. Membership in the ETAS State Interschool Team is to be considered a privilege, not a right. If a rider declines their position the selection committee can invite subsequent riders to fill their place, provided the subsequent rider has also met the selection criteria. This will be at the discretion of the selection committee after an evaluation of team size.

In accordance with the National Interschool rules, no more than five riders (including a reserve rider) from each discipline class will be selected for the ETAS State Interschool Team.

2022 Selection Criteria

The selection criteria used in previous years is currently under review to allow for the change in qualifying events, the details of this will be released soon. This will not affect the valid entry requirements, therefore we have opened the applications process now to give riders as much time as possible to submit their application.

We aim to inform riders if they have been successful by the end of July.
