

Affiliation of Clubs & Associations Policy and Application

Equestrian Australia

Policy No. : Affiliation of Clubs & Associations (Version: V5)

Policy for the Affiliation of Equestrian Clubs & Associations

Preamble

The primary objective of the EA is the development of horse sports in the FEI horse disciplines and the additional EA discipline of Show Horse. FEI horse disciplines currently include Dressage, Jumping, Eventing, Driving, Endurance, Vaulting, Reining and Tentpegging (“Regional Discipline”).

Development includes assistance to clubs, associations and organising bodies involved primarily in the conduct of FEI, FEI Regional and EA-discipline events and in training and development activities related to these sports. Part of this assistance is the negotiation of group insurance policies that are affordable to affiliates and allow them to conduct equestrian activities.
