Committee meetings are held on the 2nd Monday of the month, currently at the Riverview Hotel. We meet at 6.30 for a meal, with the meeting starting at 7pm. All members are very welcome to attend.

President

Hello All

We are now gearing up for the eventing season. We have had a couple of working bees at Quercus Park and the bush area is starting to take shape again. Thanks to all those hard workers on Sunday a lot of sticks etc were cleared up around the jumps and a few workers started spraying the gorse last night. It gives me such a great feeling to be in the bush at Quercus looking at all the jumps just waiting for an event to come along. Bec said that the working crews all enjoy themselves on Sunday.

NTEC have decided to run an event at Quercus on the 11th Jan in combination with a pony club. We hope to have the course up to Pre novice by then. Much work will need to be done more jumps and a water splash (please Roger) need to be completed. Please keep an eye out for any working bees to help towards this.

Thanks to Justin for organising the Derby Competition on Sunday the 12th. We had a good turn up and so much fun was had, as can be seen by the numerous photo's on Facebook thanks Anna and Berris. We hope to hold this event again next year so if you missed out this year you can come next year. It was amazing to see the improvement that many combinations made over the day especially green horses. This is one way to introduce cross country fences without having to run a cross country course. The top score was a blast with riders jumping heights only dreamed of including me jumping 1.15 (the joker) I am so amazed at myself.

As you know Lilydale Pony Club are hosting Pony Club Trials in March 2015. They are holding a working bee over the long weekend in November. It would be great to see as many NTEC members there as possible. I know that Lillydale PC would be most appreciative for any help they can get. We would also be contributing to our own course as we intend to run the Northern Champs there on the 29th March 2015. It all seems a long way off but any work done now will make it so much easier later on. The working bee starts on Friday and goes to Monday so if you can spare a day or some hours please phone Janice to let her know that you are going.

We have 3 training days on the go before Christmas. These consist of cross country training. 2 at Quercus and 1 at Fairlands. We will be catering for all levels of riders please see the flyer on the newsletter. If you wish to attend please fill in the form and get it back to me these are proving to be popular so if you don't want to miss out let me know asap.

Sonia Johnson will also be returning in Jan and will also be available for lessons at Quercus. Sonia has proved to be popular before and has a wealth of knowledge to convey to her students. It is not often that we get an Olympic standard of coach so please make use of her.

As you can see we will be very busy over the next few months. Please if you intend to ride at Launceston ODE get your entries in soon. Just remember that each rider is expected to contribute somehow to the running of an ODE either through working bees, flagging, setting up dressage arenas and if possible providing a fence judge. All these things help when we come to negotiate with pony clubs to ride at their events.
