

**DressageTAS Southern Zone
August 6th 2017 Competition @ TEC
Draw & Information for Competitors**

**It is up to Competitors to be familiar with the EA Rules for Dressage.
They can be accessed on the EA website www.equestrian.org.au**

Top Hats & Helmets – Any person mounted on a horse must wear an approved safety helmet with the retaining harness secured and fastened. Failure to have the harness fastened will entail elimination. As an option, riders 22 years and over riding Prix St Georges and above may wear a top hat in the warm up and competition area. Protective headgear must conform with one of the current approved safety standards outlined below.

The EA General Regulations at rule 122.2 prescribe the current standards. **It is the responsibility of the rider to ensure they are using a current standard safety helmet and be aware that if involved in an accident wearing a non-compliant helmet, your member insurance may not cover you.**

Bridle Numbers – Must be worn on BOTH sides of either bridle or saddle blanket in both warmup and competition.

Arena Familiarization – Horses may be led or ridden (walk or trot only) around the arenas until 8:45am. The areas around the arenas are considered the 'Competition Area' and riders are only to ride there when ready to present to the Judge before their test, apart from the stated time for Arena Familiarization.

Gear Checking – MUST be completed BEFORE your test as per current EA rules. **Gear checking after your test may result in elimination at the OC's discretion.**

Lunging – In the fenced 'Pony Club' area or the round yard.

Yards – Please leave the yards clean if you use them.

Dogs – **NO** dogs allowed at TEC.

Children – Children under 10 to be under adult supervision at all times for their safety and as a courtesy to competitors. Horses are unpredictable and DT accepts no responsibility for any accident or injury.

Foot Traffic – For safety reasons please stick to spectator areas as shown on map.

Canteen – Will be run by Jan Gudnason.

Scratchings and General Enquiries – Samantha Napier 0405 374 556

Thank you and good luck! If you have volunteered to help, you must check the draw for the job and time that has been allocated to you!

Remember if you are unable to stay until the end of the day and would like your test papers sent out to you please leave a SSAE with the DC with your tests written clearly on the back – Thanks ☺

ATHLETE ANTI-DOPING INFORMATION

The Australian Sports Anti-Doping Authority (ASADA) is Australia's driving force for pure performance in sport and aims to protect Australia's sporting integrity through the elimination of doping. ASADA deters the use of banned doping practices in sport through education, testing, advocacy and coordination of Australia's anti-doping program. It is the organisation with prime responsibility for implementation of the World Anti-Doping Code in Australia.

Athletes are advised to check the status of their existing and new medications every year due to possible changes in conditions of use.

The WADA strict liability principle states the athlete is responsible for any substances detected, regardless of how they got there.

The Equestrian Australia Anti-Doping Policy

Effective from January 1st 2015

For any human anti-doping enquiries or further information, please contact

Victoria Kahn (Sports Science/Sports Medicine Manager, Equestrian Australia) victoria.kahn@equestrian.org.au

Equestrian Australia (EA) condemns doping as fundamentally contrary to the spirit of sport. EA has an anti-doping policy in full compliance with the Federation Equestre Internationale (FEI), WADA and ASADA policies. All athletes and support personnel should familiarise themselves with the anti-doping policy and should contact EA if they have any queries.
