Interschool Championships 2025

2025 Interschool Championships will be hosted by Equestrian NSW in 26-30 September 2025 at the Sydney International Equestrian Centre.

In May 2025 ETAS in conjunction with the Sporting Committees will call for applications from Primary and Secondary Students to be considered for a place on the 2025 Tasmanian Team.

For those who attended in previous years, it has been a highlight of their year.

"Words can't explain how fun, amazing and wonderful the past week has been"

*"Highlight was being able to compete in another *2 event"*

"Great to realise that riders in tassie are just as good as riders from larger states"

"Loved the opportunity to experience somewhere new at such a high level and the team spirit and team support was amazing "

"I loved the camaraderie, having the whole team in the stables and having everyone so willing to put all hands on deck to help you succeed"

Membership Requirements

To be considered for a place on the Tasmanian Team you need to obtain qualifying rides as a rider/horse combination in your chosen sport/s at the level you wish to complete or above. All classes entered must be EA open (Official)*.

To obtain qualifying rides the rider **must hold the following at the time of the qualifying event**:

- **ETAS Membership** – participant or competitor depending on the level you are riding at the time of the qualifying event. Please note, that if selected for the National team a competitor membership is required
- **Interschool Licence** - at the time of the qualifying event. The Interschool licence is linked to the rider, not horse.

No event can be used as a qualifier without holding ETAS membership or an Interschools Licence. The Interschool licence can be purchased at the time of membership renewal/sign up, or via your MYEA Online portal under merchandise at a fee of \$38.50.

For certain competition levels, your horse will also require a **Full Horse Registration** and a **Sports Licence/s**. These can be obtained via your MYEA Online Portal. Please see our membership flyer to assess which membership level best suits you during qualification.

Please note competitive membership, full horse registration and competition licence/s are required for all horses and riders selected to compete at the National Championships.

Qualifying Period

Event results dated 1st May 2024 - 30th April 2025 only will be accepted as qualifiers (if the above requirements are met).

Discipline Qualifying Events and Requirements

The following sections detail the requirements, please note these are the **minimum requirements**, you are encouraged to record and submit all your results.

*One class allowance for eventing

All Dressage Tasmania events have the option for you to select that you are riding Interschool allowing your ride to become a qualifier.

Required Results

The combination must achieve a **minimum of three tests** in open (official) classes obtained at a **minimum of two different events** with qualifying scores of:

- Preliminary-Novice 64%
- Elementary and upwards 62%

JUMPING

All Jumping Tasmania competitions can be used as qualifiers as long as you have an Interschool licence at the time of the competition.

You can check your Jumping Tasmania branch's Facebook page for updates and upcoming events.

Jumping [South](#)

Jumping [Kingborough](#)

Jumping [North](#)

Jumping [North West](#)

Result Requirements

The combination must have competed at a **minimum of three (3) Jumping Tasmania or Agricultural Society competitions** at the nominated height to achieve:

- TWO results with no faults
- ONE result with a maximum of 4 jumping penalties

Combinations must compete as a combination for **three qualifying results** at the qualification level for Nationals, or higher to be considered. The following qualifications are required as a minimum:

Qualifying Events

- ONE X TEA Combined Training or Eventing Championship, **PLUS**
- TWO x Dressage/Jumping Results from TEA ODEs or Combined Training Qualification Events.

Result Requirements
