

# Show Jumping Tasmania South – TEC

## Freshman's Day

Saturday 13<sup>th</sup> February 2016

9:00am set up/9:30am Start

SJT South TEC Branch will be holding a Freshman's Show Jumping Day on Saturday 13th February at TEC grounds, Lauderdale.

Freshman days provide a great training opportunity over a properly designed course but in a relaxed casual environment.

- Maximum 3 rounds per horse.
- Heights will start at the lowest requested height progressing in height by 10cm increments. *Please note that we cannot alter the heights up and down over the day, once they go to the higher height, they will not be altered for late comers.*
- Horses complete the full course as it is intended to be jumped but a total of 3 minutes per round is allocated so if time is remaining after the last jump, the rider may choose to repeat a jump/s if they so wish.
- A bell will sound to indicate the end of 3 minutes and start the time for the next horse. Next horse needs to be ready to commence immediately at the conclusion of the horse before.
- Dress code: casual dress. Saddlery, helmets and boots to be in accordance with EA rules.

Cost: Enter and pay before the day: \$20 per horse

All riders must be a current member of Showjumping Tasmania.

Note: There will not be a draw released for this event.
